Welcome to the 2022-2023 season of the Loudoun Symphony Youth Orchestra Program. For those who are new to the orchestra this year, congratulations on your new position! This document is a reference for each musician. It is written to provide an overview of the nature of the organization, the operational policies, requirements, and expectations of each musician. By accepting a position within the LSYO, you are agreeing to the policies and expectations outlined in this handbook.

About Loudoun Symphony Association
